

Year 5 Weekly Plan

W/B 25/01	MYON Reading	Maths	Reading Session	Literacy	PE	Topic
Monday	Choose a fiction book of your choice. Once you have read this, complete a test.	<p><u>LO- To identify angles</u></p> <p>In this lesson, children will understand the properties of different types of angles.</p>	<p><u>Awful Auntie by David Walliams</u></p> <p>To predict what will happen. Model predictions and keep class predictions to see what happens at the end.</p>	<p><u>LO: To Learn About Maori Culture</u></p> <p>In this lesson we will learn about Maori culture and traditions in preparation for writing a narrative based on the film 'Whale Rider'.</p>	Joe Wicks Workout.	<p><u>PSHE</u></p> <p><u>LO- To Plan My Own Workout</u></p> <p>Children use knowledge from previous lessons to plan their own workout.</p>
Monday Support	Choose a fiction book of your choice. Once you have read this, complete a test.	<p><u>To identify and recognise angles</u></p> <p>In this lesson, we will start to understand what the word 'angle' means. We will begin to identify angles within objects and shapes before we start to compare the size of angles.</p>	As above	<p><u>Listen to a story and answer questions</u></p> <p>In this lesson, we will hear a new story called 'Baba Yaga' and think about what we have understood from the story.</p>	As above	As above
Tuesday	Write a review of the book you read yesterday. Did you enjoy it? Why? Post your answers on Google Classroom and share with other children.	<p><u>LO- To compare and order angles</u></p> <p>Building on lesson one, children will use their newly acquired knowledge to order and compare different angles.</p>	<p><u>Awful Auntie by David Walliams</u></p> <p>To be able to describe the Auntie's pet. What is 'The Great Bavarian Mountain Owl?' To write a fact file on the owl.</p>	<p><u>LO: To investigate suffixes (-ify -ise)</u></p> <p>In this lesson, we will be investigating the -ify and -ise suffixes.</p>	Cosmic Kids' Yoga	<p><u>History- Ancient Greeks</u></p> <p>To understand the term democracy and explore this concept in Ancient Greece.</p>
Tuesday Support	Write a paragraph about the book you read yesterday. Did you enjoy it? Why? Post your answers on Google Classroom and share with other children.	<p><u>To recognise right angles</u></p> <p>In this lesson, we will be building on your angles learning and focusing specifically on right angles. We will explore these on their own, in</p>	As above	<p><u>To tell a story from memory</u></p> <p>In this lesson, we will memorise our story 'Baba Yaga' by hearing the story, mapping the story, stepping the story and speaking the story.</p>	As above	As above, with differentiated tasks.

		shapes and in everyday objects.				
Wednesday	<p>Sporty Wednesday-</p> <p>Choose a book on your favourite sport and complete a quiz.</p>	<p><u>LO- To measure angles in degrees</u></p> <p>Children recap acute and obtuse angles. They recognise a full turn as 360 degrees, a half-turn as 180 degrees and a quarter-turn (or right angle) as 90 degrees.</p>	<p><u>Awful Auntie by David Walliams</u></p> <p>Look at inference. Use evidence from the text to answer questions.</p>	<p><u>LO: to use Simple, Compound and Complex Sentences.</u></p> <p>In this lesson we will revise the components of simple, compound and complex sentences. We will identify examples of each of these types of sentences and write our own,</p>	Joe Wicks Workout	<p><u>Science-</u></p> <p>LO- What are stars? How are they made?</p>
Wednesday Support	<p>Sporty Wednesday-</p> <p>Choose a book on your favourite sport and complete a quiz.</p>	<p><u>To recognise obtuse and acute angles</u></p> <p>In this lesson, we will be building on our angle knowledge by introducing the terms acute and obtuse for those angles which are smaller (acute) and greater (obtuse) than right-angles. We will have time to look at these angles separately and within different shapes.</p>	As above	<p><u>To develop detail in the opening scene</u></p> <p>In this lesson we will develop detail about the character's feelings in the opening scene.</p>	As above	As above, with differentiated tasks.
Thursday	<p>Read a book on New Zealand and complete a quiz.</p>	<p><u>LO- To measure with a protractor</u></p> <p>Children are taught to use a protractor for the first time. They begin with measuring angles less than 90°, acute angles.</p>	<p><u>Awful Auntie by David Walliams</u></p> <p>To be able to clarify unknown words using different methods. Reading around text. Dictionaries and word banks.</p>	<p><u>LO: To develop an understanding of the main characters in a film.</u></p> <p>In this lesson we will analyse the two main characters in terms of their actions and internal feelings and emotions.</p>	Cosmic Kids' Yoga	<p><u>Art-</u></p> <p>To continue to explore a variety of artists and develop new skills.</p>

Thursday Support	Read a book on a country of your choice and complete a quiz.	<u>Measuring lengths to the nearest cm or mm</u> Today we are going to learn how to use our rulers accurately and begin measuring in cm and mm	As above	<u>To use prepositional phrases of place</u> In this lesson, we will use prepositional phrases of place to describe a setting we have created.	As above	As above.
Friday	Reading for pleasure- Choose a book of your choice and complete a quiz.	<u>LO- To measure with a protractor (part 2)</u> Children continue to build on their skills by using a protractor.	<u>Awful Auntie by David Walliams</u> To be able to summarize. Class to write a summary of today's reading. Who were the characters? What happened and why?	<u>To develop a rich understanding of words associated with eyes</u> In this lesson, we will introduce new vocabulary, identify word pairs and synonyms and apply the vocabulary in sentences.		
Friday Support	Reading for pleasure- Choose a book of your choice and complete a quiz.	Arithmetic and Multiplication Tests	As above	<u>To make inferences based on what is said and done</u> In this lesson, we will make inferences about the characters in our story.
