

Year 3 Weekly Plan

	Phonics & Reading Literacy		Maths	Topic	PE
Monday	<p>MyOn reading - this should be half an hour every day, your child can read a book of their choice</p> <p>Spellings - common exception words</p>	<p>Today we move on from Baba Yaga but keep the theme of witches. We will be working towards writing a non-chronological report all about witches.</p>	<p>Today we will be looking at angles in 2d shapes. Can you identify how many angles each different shape has?</p>	<p>Science is continued this week Why do animals have different teeth? We will learn about the differences between carnivores, herbivores and omnivores. This lesson is the end of our animals focussed lessons.</p>	<p>P.E with Joe - half an hour, you will need a space and some water. Do not feel you need to do this in one go, take extra breaks if you need them.</p>
Monday Support	<p>Phonics (sound 'ng) as in bring, thing, sing Reading and spelling the sound</p>	<p>Today we are going to be looking at prefixes. Click on the bbc website (adding the prefix un) work through the lesson. Do activity 1 and 3 on the google slides and activity 2 on the website.</p>	<p>We will start the lesson counting in twos.. Next we are looking at the simple positional language of turns. A full turn, half turn and quarter turns.</p>		
Tuesday	<p>MyOn reading - this should be half an hour every day, your child can read a book of their choice</p>	<p>. Today we need to talk about the information text we heard yesterday from memory. You can video yourself doing this and send it in to the year 3 email. There are also some tongue twisters to practise.</p>	<p>Today's maths is identifying right angles in shapes. Watch the video then complete the slides.</p>	<p>Today we start a series of lessons focusing on plants. Today's lesson is: What is a plant? Here you will examine the different parts of the plant, then test your knowledge with a quiz.</p>	<p>P.E with Joe - half an hour, you will need a space and some water. Do not feel you need to do this in one go, take extra breaks if you need them.</p>
Tuesday Support	<p>-Handwriting letter formation h & y You will need a pencil and some paper, ensure the d is facing the correct way</p>	<p>Today we will be looking at what poems are and to write a counting poem. This lesson includes: an introduction to poems, a reminder about writing sentences and three activities.</p>	<p>Today we start practising our 5 times tables. Learn how to compare lengths and heights by using particular words to define the differences.</p>		

	<p>MyOn reading - this should be every day, your child can read a book of their choice</p> <p>Spellings - common misconceptions</p>	<p>Today we are creating our own witch. Where does she live? What does she do? Describe her physical looks. We will also have an activity looking at common spelling misconceptions that crop up in our lesson.</p>	<p>Using the knowledge learnt yesterday that a right angle is 90* of a full 360* turn children will now learn to identify acute and obtuse angles in shapes. Angles that are lesser and greater than a right angle.</p>	<p>What does a plant need to live? We will learn the vital things all plants need to live and thrive. We will also learn where these things come from and how the plant uses different parts to absorb them.</p>	<p>P.E with Joe - half an hour, you will need a space and some water. Do not feel you need to do this in one go, take extra breaks if you need them.</p>
--	---	---	---	--	--

<p>Wednesday Support</p>	<p>Tricky words: He, me, she, we, be They, you, are, all, was.</p>	<p>-In today's lesson we are going to look at adjectives. click on the link that says, 'writing description using adjectives' and follow the lesson. -Try activity 1, complete activity 2 on the google slide and then for activity 3 you can draw your magical plant on some paper label it and then colour it in. It would be nice if you could send me some pictures of your drawings.</p>	<p>-Today we are starting the lesson practising our ten times tables. Next learn how to compare the mass of objects using non-standard measures and use the language of heavier, lighter and equal to. This lesson includes: a catch-up quiz, a learning summary and one activity.</p>		
<p>Thursday</p>	<p>MyOn reading - this should be half an hour every day, your child can read a book of their choice</p>	<p>Today we are using the present tense to write sentences about the witch we created yesterday.</p>	<p>Today we continue to develop our knowledge about the angles of shape. You will identify acute, obtuse and right angles. .</p>	<p>R.E - Judaism What do Jews believe about the Messiah? This week we continue with our study of Judaism. This session particularly focuses on the beliefs which have in turn led to their various practises.</p>	<p>P.E with Joe - half an hour, you will need a space and some water. Do not feel you need to do this in one go, take extra breaks if you need them.</p>
<p>Thursday Support</p>	<p>-click on the link that says, 'air words'. watch the video and try pause the video when you try to read a word. -When you've watched the video click on the google slide and complete your phonics work</p>	<p>-Then click on the link that says, 'counting syllables' and follow the lesson. Do activity 1 and the quiz, then complete activity 2 on the google slide.</p>	<p>Today I thought i'll add a new set of time tables. So here it is, we are going to start practising our 3 times tables too. -When finished listening to the song, click on the bbc website that says, 'volume and capacity' follow the lesson and then do activity 1 and 2. Why not use</p>		

			any measuring cups or jugs you have in the kitchen to help?		
Friday	<p>MyOn reading - this should be half an hour every day, your child can read a book of their choice</p> <p>Spellings - Common Exception words</p>	<p>Today we are finding key information in the text The Ice Witch. Listen to the story, then answer the questions.</p>	<p>Every Friday we will do an Arithmetic test to encourage children's mental maths and the speed at which they can answer questions. You will need a piece of paper and a pencil so that your child can do some working out.</p>	<p>Art - drawing. Follow along this fun and innovative video drawing to create your own version. You will need some felt tips or coloured pencils and some paper.</p>	<p>P.E with Joe - half an hour, you will need a space and some water. Do not feel you need to do this in one go, take extra breaks if you need them.</p>
Friday Support	<p>- -click on the link that says, 'the er sound'. Watch the short video and then answer the question on the website.</p>	<p>- -Today we are looking at writing questions that start with 'wh', who?what?where?why? click ont the bbc link and follow the lesson and then do activity 1 and 3 on the google slide and activity 2 on the website.</p>	<p>-Friday's lesson is all about practising skills! Start by practising your 2, 5 and 10 times tables. Then there is some arithmetic to complete. Finally choose a game from Topmarks website. Enjoy</p>
