3 April 2020

Dear Pupils,

I am writing to you now because we cannot meet for our usual end of term assembly.

Everyone is following special rules to keep us all safe from the Covid-19 virus. For most of you, this means that school is closed for a while. I hope that we will soon be able to re-open, be together again and get back to normal. In the meantime, your teachers and teaching assistants are working hard to provide you with lots of exciting home learning through the school website and your school email. For the next two weeks, you are on holiday, so these weeks should be fun. Your teachers will send you games and ideas for things to do at home.

We miss you all very much and hope that you are having some good times with your families. Keep following the safety rules that we practise in school and those that are on our website to help you.

With our love and best wishes to you all,

From Mrs Fountain and everyone at Middleton Primary School
