Message from Mrs McGonigle and Mr Fry

Dear Parents and Carers,

We have come to the end of our first half term seeing the return of some pre-Covid routines which the children and staff have really enjoyed. Unfortunately, many winter bugs have now affected staff and children in school, however, we have fared better than many with regard to Covid cases. Nevertheless, Covid case numbers are significantly rising in the local community and whilst we have no confirmed positive cases at this time, we would therefore advise caution should your child be unwell. The dark evenings are now upon us, and the temperature has dropped; please ensure your children have warm coats, suitable shoes and a warm hat.

I do hope half term brought some rest, an opportunity to enjoy family time and different activities and that you all stayed well. We are delighted to hear some of the lovely activities and days out the children experienced.

Covid cases – Whilst schools no longer have a remit for track and trace, please do notify us of any positive cases by calling our School Office, to support any necessary planning to keep our children, staff and families safe.

 Please remain vigilant in the local area in relation to our email about an unknown man approaching a child and exposing himself; please speak to your children about not being unsupervised, as this puts them at risk.

'Rainbow's during lockdown' an anthology of children's work – this has been nominated for a People's book prize and has been contributed to by children across the UK. They wrote stories such as 'New School' and 'Ninja Twins'. <https://peoplesbookprize.com/summer-2021/rainbows-during-lockdown/>

Have a wonderful weekend.

Best wishes, Mrs McGonigle and Mr Fry

DO THE RIGHT THING

SAY YES TO THE VACCINE AND GET A TEST IF YOU HAVE SYMPTOMS OF COVID-19

With Covid still in our communities, we all need to do the right thing to keep rates as low as possible.

❗ **Say yes to the vaccine.**
That's both doses.

Everyone over the age of 18 can now get the jab.

Book online at www.nhs.uk/conditions/coronavirus-covid-19 or by phoning 119. For walk-in centres and pop up clinics visit www.thevaccinators.co.uk

Remember there must be an eight week gap between your first and second jab.

❗ **Get a test if you have symptoms.**

If you have symptoms of Covid-19 – a high temperature, a new or persistent cough or a loss in sense of taste or smell – book a test at www.gov.uk/get-coronavirus-test and self-isolate.

❗ **Self-isolate if you are asked to by NHS Test and Trace.**

Lots of support is available for people who need to self-isolate including payments of £500 and help with accessing food and medicine.

For information visit www.peterborough.gov.uk/selfisolationsupport

REMEMBER

- ✓ MEET PEOPLE OUTDOORS OR IN WELL-VENTILATED PLACES IF YOU CAN
- ✓ KEEP A POLITE DISTANCE FROM OTHERS
- ✓ WEAR A MASK IN CROWDED PLACES – OR WHERE YOU CAN'T KEEP A DISTANCE
- ✓ WASH YOUR HANDS WELL AND OFTEN

i For further updates and information check our website which will be regularly updated www.peterborough.gov.uk/coronavirus

IMPORTANT INFORMATION

Covid has not gone away. If your child has any of these symptoms please do not send them to school and book a PCR test:

A high temperature

A persistent cough

A loss of taste or smell.

PCR Tests can be booked at www.gov.uk/get-coronavirus-test or by calling 119.

Please visit a testing centre if you can, rather than getting a postal test, as these can take 2 weeks to return the result.

Lateral Flow Tests, the type you can collect from chemists, should not be used on children under 11.

IMPORTANT INFORMATION

PUPIL DETAILS

It is essential that we have up to date records for every child in school, particularly home address, email and mobile phone numbers. If you have moved or changed phone numbers, please call 01733 262696 or email office@mps.pkat.co.uk

There is a vacancy on our Local Governing Body for a Parent Governor. Would you like to volunteer your time and energy to make a positive difference for all children at Middleton?

Why should I become a Parent Governor?

Governors have an important part to play in helping schools to run effectively. They work as part of a team with the Headteacher and school staff to help provide a happy, safe and thriving learning environment and an excellent education for all children. As a Parent Governor, you will be well placed to understand parents' views and have first-hand knowledge of how the school is run. You will have the opportunity to work toward improving the school experience for all children at Middleton.

What does a Parent Governor do?

You will join a team of Governors and school leaders at Governor meetings (currently on Microsoft Teams – no more than 5 meetings per year) and you will be invited to visit school to talk to staff and children about school priorities. As a Governor, you can also bring your own skills to the team and support with finance, HR, premises and community work. If you become a Governor, there is induction training with more training available throughout the year.

to express your interest,

Stay safe on Bonfire Night

Never touch fireworks

Stand well back from the bonfire

Never go near a firework after it has been lit

Only one sparkler at a time

Wear gloves when holding a sparkler

Keep pets indoors

Wednesday Wiggle

Need a mid-week boost?

Try Wednesday Wiggle! A lunchtime disco alternating between key stages.

Ask your teacher to email Mrs Barnes with your favourite song.

Everyone welcome – there are no bad dancers (except for Mr Burrows).

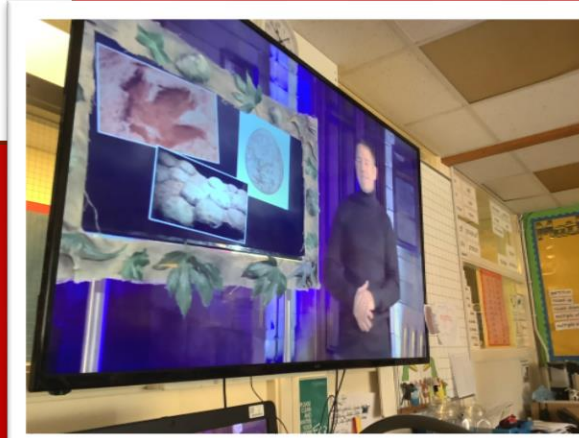

News from the classes.

This week...
Class 4RT/PO

We had a live lesson with Steve Backshall live from the Natural History Museum. We learnt all about fossils.

We enjoyed some outside
Maths.

LEARNING

We have been using TT Rockstars to help improve our times tables.

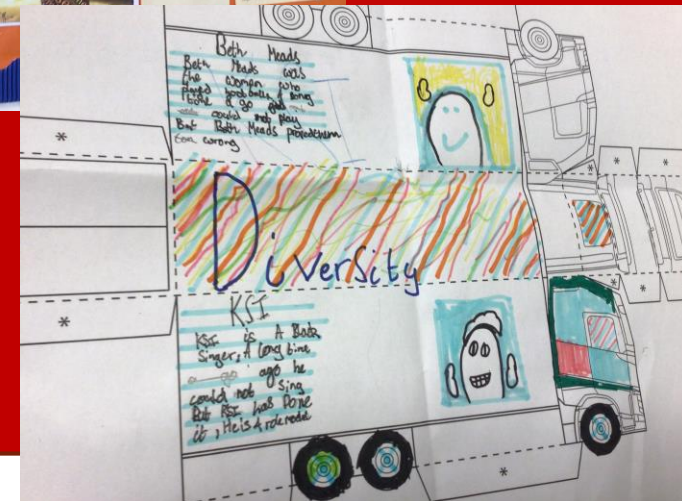

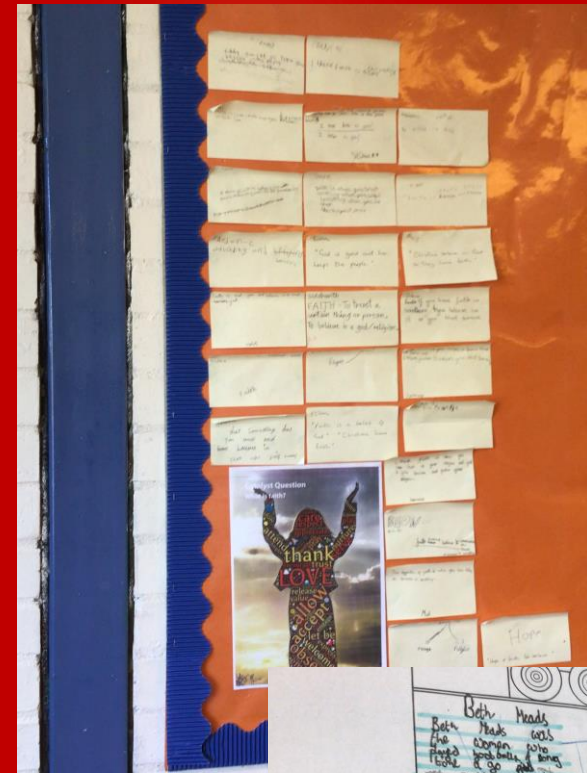

We're really enjoying our new topic of netball in PE.

Our new topic, 'A World of Difference' is really fascinating! We will be learning about different world religions.

Our kindness Bingo reminds us to act kindly to each other and be accepting of diversity.
