Message from Mrs McGonigle and Mr Fry

Dear Parent/ Carer,

What a delightful first week back we have had, I hope you all enjoyed the extended bank holiday and Jubilee celebrations with your families.

This week started with a Science Circus assembly for all Year groups. Year 2 and Year 3 then took part in exciting workshops exploring friction.

Year 1 have been completing their Phonics screening and the results of this will be shared with parents at the end of the year.

Year 4 have taken part in the Multiplication check, which they have been practicing for all year using TT Rockstars.

All other Year groups have completed their end of year PiXL assessments.

After all of that hard work, it is time to enjoy all of the other exciting things that happen in the last half term, such as Rounders matches, trips, Year 5 Young Explorers Camp, Year 3 Farm Camp, Year 6 Grafham Water Outdoor Adventure Activity Day and of course the Year 6 Leavers Events.

As the weather promises to improve, please remember to apply sunscreen, bring sun hats and bring a full water bottle.

We continue to pray for all those families engaged in or threatened by war or conflict anywhere in the world.

Have a wonderful weekend and whatever you do, be kind.

Best wishes, Mrs McGonigle and Mr Fry

Proud to serve the local & wider community.

IMPORTANT INFORMATION

PUPIL DETAILS

It is essential that we have up to date records for every child in school, particularly home address, email and mobile phone numbers. If you have moved or changed phone numbers, please call 01733 262696 or email office@mps.pkat.co.uk

COMMUNITY

Medication

If your child requires prescribed medication during the school day, you must complete a Medication form.

Head Injuries

We have introduced a new system for minor head bumps/ injuries. Instead of calling parents, we are contacting parents/ carers via email when a child has a minor bump to the head. This system occurs successfully in other schools and does not expect parents to 'drop everything' to come into school if our qualified First Aiders have assessed them.

FREE SCHOOL MEALS

Applying for free school meals is quick and simple to do using the online application form at

[Click Here](#)

Injuries

(outside of school)

If your child has an injury, such as a broken bone, please do let us know as soon as possible. We will need to put a care plan in place before they return to school.

Illness/Other Absences

If your child is ill, please **email** or **call** the school office on 01733 262696 and select option 1 to leave a message. The absence line is available 24/7.

Don't Forget!

Healthy snacks & water bottles

Children can bring in a healthy snack to have at break time. This **MUST NOT** be chocolate or nuts – we are a nut free school. Children **must** bring in a named water bottle.

Covid 19 Information

- ▶ As you may be aware, the NHS [COVID-19 symptoms in adults](#) and [symptoms in children](#) have been updated. Adults and children who have symptoms of a respiratory infection, including COVID-19, should follow the [UKHSA guidance](#).
- ▶ Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school, college or childcare and resume normal activities when they no longer have a high temperature, and they are well enough to attend.

Testing

- ▶ Some individuals may choose to test, either with residual free testing kits or via test kits purchased from pharmacies
- ▶ • Children and young people with a positive test should stay at home and avoid contact with others for 3 days. They can return to education after 3 days provided they have no high temperature and feel well
- ▶ • Adults who test positive should stay at home and avoid contact with others for 5 days. They can return to the workplace after 5 days provided they have no high temperature and feel well

Health and Care Sector Work Academy

The Health and Care Sector Work Academy is a Cambridgeshire and Peterborough Combined Authority project, run by City College Peterborough, supporting residents across Peterborough and Cambridgeshire to gain a career in health and care.

Our project helps anyone in receipt of benefit (whether employed or currently unemployed) train for the Health and Social care sector. We offer a range of **FREE** flexible courses that all fit around school hours for those that have care responsibilities. We also offer bursary support with childcare, travel and caring for a dependent adult – so we can take away most of the barriers to training.

We work with a network of employers who can guarantee you an interview on completion of your course. You could be qualified and starting your new job in as little as 4 weeks!

Shooting Stars! ☆

In Year 2 and 3 we enjoyed learning about the forces of motion through the circus! We saw lots of juggling with different items. We worked out if they were push, pull, friction, gravity and twist. We tried different skills to demonstrate the forces of movement.
