## From the Headteacher's Office...

### Message from Mrs McGonigle and Mr Fry

Dear Parent/ Carer,

This week, the whole of Year 3 went to Grantham for a mini-Olympics and had the most incredible day; the weather was glorious and the children engaged very well in these fantastic opportunities. The KS2 School Council went to London on a visit to the Houses of Parliament; this was such a unique opportunity and the children were so inquisitive about the historical and political significance of this remarkable building and institution. We had a group of children attend an athletics tournament and meet with **Ashley Watson who was part of the Jamaican bobsleigh team in the 2022 Beijing Winter Olympics!** We have introduced 3 new extra-curricular activities for the children after school 3 days a week; Tennis (Year 5), Basketball (Year 3) and Gymnastics (Year 4) through a bought in company 'Just Do Sports'. A member of the Orton Gospel Hall came in today (Friday) to do a KS1 assembly and a KS2 assembly.

We have continued to have many sporting and extra-curricular successes such as the Girls Football team and the boys football team, the NFL Flag, 50 of our pupils attended The Cresset Theatre for the Dance performance on 16 June. We have been continuing with the Year 4 Multiplication check this week too.

The weather is reaching high temperatures (over 30 degrees) this week and over the weekend; please can you ensure you use plenty of sunscreen at regular intervals, sunhats to protect head, face and delicate neck area and a full bottle of water every day. It is so important to protect children's skin to avoid the horrid UVA and UVB rays from the sun; burning can lead to skin cancer. Children cannot control their body temperature as efficiently as adults during hot weather because they do not sweat as much and so can be at risk of ill-health from heat. Heat-related illness can range from mild heat stress to potentially life-threatening heatstroke. The main risk from heat is dehydration (not having enough water in the body). Children under 4 years of age, those who are overweight, or who are taking certain medication may be at increased risk of adverse effects. Some children with disabilities or complex health needs may be more susceptible to high temperatures. Please also ensure you speak to your children about being safe around bodies of water such as rivers and lakes.

We continue to pray for all those families engaged in or threatened by war or conflict anywhere in the world.

#### Dates & Events for the Diary

Have a wonderful weekend and whatever you do, be kind.

Best wishes, Mrs McGonigle and Mr Fry

# Looking after children during heatwaves

## Beat the Heat

### Keep in touch

Look after yourself, older people and the young

Listen to the weather forecast and the news

Plan ahead to avoid the heat

### Keep well

Drink plenty of fluids and avoid excess alcohol

Dress appropriately for the weather

Slow down when it is hot

### Find somewhere cool

Know how to keep your home cool

Go indoors or outdoors, whichever feels cooler

Cars get hot, avoid closed spaces

### Watch out

Be on the lookout for signs of heat related illness

Cool your skin with water, slow down and drink water

Stay safe when swimming

Get help. Call NHS 111 or in an emergency 999

**For more information go to [www.nhs.uk/heatwave](https://www.nhs.uk/heatwave)**

# IMPORTANT INFORMATION

## PUPIL DETAILS

**It is essential that we have up to date records for every child in school, particularly home address, email and mobile phone numbers. If you have moved or changed phone numbers, please call 01733 262696 or email [office@mps.pkat.co.uk](mailto:office@mps.pkat.co.uk)**

COMMUNITY

## Medication

If your child requires prescribed medication during the school day, you must complete a Medication form.

## Head Injuries

We have introduced a new system for minor head bumps/ injuries. Instead of calling parents, we are contacting parents/ carers via email when a child has a minor bump to the head. This system occurs successfully in other schools and does not expect parents to 'drop everything' to come into school if our qualified First Aiders have assessed them.

## FREE SCHOOL MEALS

Applying for free school meals is quick and simple to do using the online application form at

[Click Here](#)

## Injuries (outside of school)

If your child has an injury, such as a broken bone, please do let us know as soon as possible. We will need to put a care plan in place before they return to school.

## Illness/Other Absences

If your child is ill, please **email** or **call** the school office on **01733 262696** and select option 1 to leave a message. The absence line is available 24/7.

Don't  
Forget!

## Healthy snacks & water bottles

Children can bring in a healthy snack to have at break time. This **MUST NOT** be chocolate or nuts – we are a nut free school.

Children **must** bring in a named water bottle.

As you may be aware, the NHS [\*\*COVID-19 symptoms in adults\*\*](#) and [\*\*symptoms in children\*\*](#) have been updated. Adults and children who have symptoms of a respiratory infection, including COVID-19, should follow the [\*\*UKHSA guidance\*\*](#).

- **Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school, college or childcare and resume normal activities when they no longer have a high temperature, and they are well enough to attend.**

## **Testing**

- **Some individuals may choose to test, either with residual free testing kits or via test kits purchased from pharmacies**
- **Children and young people with a positive test should stay at home and avoid contact with others for 3 days. They can return to education after 3 days provided they have no high temperature and feel well**
- **Adults who test positive should stay at home and avoid contact with others for 5 days. They can return to the workplace after 5 days provided they have no high temperature and feel well**

## Health and Care Sector Work Academy

The Health and Care Sector Work Academy is a Cambridgeshire and Peterborough Combined Authority project, run by City College Peterborough, supporting residents across Peterborough and Cambridgeshire to gain a career in health and care.

Our project helps anyone in receipt of benefit (whether employed or currently unemployed) train for the Health and Social care sector.

We offer a range of FREE flexible courses that all fit around school hours for those that have care responsibilities. We also offer bursary support with childcare, travel and caring for a dependent adult – so we can take away most of the barriers to training.

We work with a network of employers who can guarantee you an interview on completion of your course. You could be qualified and starting your new job in as little as 4 weeks!

# Celebration Assemblies with parents

From Monday June 20, Celebration Assemblies will be starting again in school. These will be alongside our Feelgood Friday Assemblies and our weekly singing assemblies.

Celebration Assemblies will be an opportunity for parents to come into school and share in their children's successes.

If your child has received an award, you will be notified by the class teacher. Please come to the main office at 2.40 to sign in and you will be taken to either the KS1 or KS2 hall. Please collect your child from their classroom as usual at the end of the day.

These assemblies are much loved by the children, and we are thrilled to see them return.

# Open Classrooms

Teachers will be in touch with parents shortly to offer you an opportunity to come into the classrooms to see what has been happening in each Year Group this year.

Parents will be able to come into the classrooms at 2.45pm and look at their children's work and watch a short presentation linked to their learning this year.

# Stay & Play

Drop-In group for children 0 - 5 years

**Stay & Play** is an informal session providing a safe and stimulating learning environment in which parents/carers can play with their children, have fun and learn together whilst focusing on developing their child's language, literacy and preparing their child for school.
